"Hecht's Greater Stores."

Worth shines from the suit & skirt showing.

Ours is a showing that does us proud—comprising as it does every newest fad of fashion—every style and exclusive effect that could possibly find favor in a woman's eyes.

Many of the new styles are exclusive with us—not to be seen elsewhere. We have makers working exclusively for us—whose entire productions we control—a fact which explains for much of the superior excellence of our garments.

The "novelties" in ladies' outer garments are here in rich array—those styles which strike a responsive chord in every feminine heart—but which have been exorbitantly high in price until we took the matter in hand—and with our splendid organization—and perfect control of the world's markets—brought them to you at prices that have hitherto been thought impossible.

Here we give you some hints of the newest arrivals for your notice: The privilege of having purchases "charged" is freely extended every one—take advantage of it.

- Choice of a lot of new black cheviot serge suits, which are made-to-order in the latest fashion—made with new rounded jackets—double-breasted with lined and bound lapels—which are well worth \$12.00—\$11.00—\$10.00—\$9.00—\$8.00.
A lot of ladies' new and well-made skirts, of figured brilliantine, that are well lined and carefully bound with velvet—as perfect fitting as any garments in the store—and a very good value at \$2.50—will be offered at \$1.39.
A lot of new and excellent stylish black cheviot serge suits, which are tailored most thoroughly, possessing that perfect finish and admirable hang so desirable to every woman who values style—very substantial and well made and worth the best \$25.00—will be offered at \$14.98.

ALMOST INSTANTLY KILLED

Joseph B. Tait, Delirious From Fever, Jumps From Third-Story Window.

Fatal Leap Taken While Attendants Were Temporarily Out of His Room—Inquest Unnecessary.

Joseph B. Tait, a young married man living at No. 101 Maryland avenue north-east, jumped out of a third-story window at his home to the ground below, a distance of about thirty feet, at 6 o'clock this morning and was almost instantly killed.

The unfortunate man had been ill of typhoid fever for about two weeks and was delirious, and last night was in so serious a condition that his wife and a trained nurse sat up with him. In his delirium he said repeatedly that he wanted to see the moon.

Just before the fatal act was committed Mrs. Tait and the nurse left the room for an instant. The windows in the room, being of heavy plate glass and entirely closed, no fears were felt for his safety.

GET FLESH.

Get Strength, Vigor, Clear Complexion and Good Digestion. Not by Patent Medicine, but in Nature's Own Way.

Any honest physician will tell you that there is one way to get increased flesh, all the patent medicines and cod liver oils to the contrary notwithstanding.

Nature has but one way to increase flesh, strength and vigor, mind and body, and that is through the stomach, by wholesome food, well digested. There is no reason or common sense in other method whatever.

People are thin, run down, nervous, pale and shaky in their nerves simply because their stomachs are weak.

They may not think they have dyspepsia, but the fact remains that they do not eat enough food, or what they eat is not quickly and properly digested, as it should be.

Dr. Harkness says the reason is because the stomach lacks certain digestive acids and pepsines and delicate secretions of gastric juice.

Nature's remedy in such cases is to supply what the weak stomach lacks. There are several good preparations which will do this, but none so readily as Stuart's Dyspepsia Tablets, which are designed especially for all stomach troubles, and which cure all digestive weakness on the common sense plan of furnishing the digestive principle—the stomach acids.

Stuart's Dyspepsia Tablets give perfect digestion. First effect is to increase the appetite, and increased vigor, added flesh, pure blood and strength of nerve and muscle is the perfectly natural result.

Stuart's Dyspepsia Tablets is the safest and most effective cure of stomach trouble except cancer of the stomach. May be found at druggists at 50 cents for full-sized package or direct by mail from Stuart Co., Marshall, Mich. oct-12d
